ANOOP SINGH

BIO

As a passionate Drupal Front-end Developer and Team Lead, I have extensive experience in custom theming and performance optimization. I am also an expert in HTML, CSS, SCSS, Bootstrap, and CSS frameworks, and I specialize in creating responsive, accessible, and high-performance web solutions.

Currently, I actively maintain several Drupal projects, including FlexiStyle and FlexiStyle Bootstrap, with Drupal security advisory coverage. I am also an Individual Member of the Drupal Association.

My experience spans Pantheon, DDEV, Git-based workflows, and Drush, ensuring seamless development and deployment. I am also well-versed in SEO, performance optimization, and analytics tools like Google Search Console and PageSpeed Insights.
